Dates to Remember:

February 8th and 10th: TERRA NOVA TESTING for 5th and 7th grade students.

February 28th: Monthly Reports are due*

*to submit Monthly Reports, go to www.paceschool.net, login to your MyPace account. Click on Submit Monthly Reports, post the grades for your student(s).

SAVE THE DATE: April 5th-7th: SBA (Standards Based Assessments) For grades 3rd-10th **April 8th** SBA Science testing grades 4th, 8th and 10th.

REMEMBER: Please remember to back up your child's computer every 10-14 days.

Other important information:

TECHNOLOGY TIP: When submitting Work Samples, if you would like to scan and e-mail but the documents are too large for one e-mail, you can put the documents into a folder and go to **wetransfer.com**. This site does not require registration and it won't send you junk mail.

State Requirements: Please e-mail or call your student(s) teacher if you would like to see material added to our approved curriculum. Please note, the material will have to fall within state guidelines and your request will not automatically be granted but will follow the regular curriculum approval process.

"I": If your child receives an "I" or Incomplete on his/her report card, if work samples or adequate progress are not completed, the "I" will turn into an "F" or Fail for your child's final grade.

Anchorage Office: Thursday night the Anchorage Pace Office is open until 7pm.. Some families are using this time to turn in work, talk with their teacher, create work samples and receive a little extra one-on-one help.
